So I think that was a successful trip, and we really we really enjoyed being down there and getting to spend time with with the Santa Cruz County folks. COMMISSIONER CHAN: Mr. Chairman, Tom. MR. COLLINS: Yes. CHAIRMAN PATON: Yes, Commissioner Chan. COMMISSIONER CHAN: I just wanted to point out when I was reading this I noticed that it was local county candidates, and I just wanted to say that even though those are not candidates that we have jurisdiction over, I really appreciate the fact that you guys are still doing outreach with those counties. And I think that it's really important and we still have something, obviously, that we can offer, if those election directors are reaching out to us, and especially it sounds like it went really well with those candidates, so MR. COLLINS: Yeah. COMMISSIONER CHAN: that's excellent. MR. COLLINS: Thank you. Thank you. Mr. Chairman, Commissioners, just continuing, obviously we've we've got both two elections in the next coming up between now and the next meeting. One is a local election on March 10th, which affects	<ul> <li>and local community members. And I think that Avery</li> <li>getting more requests generated from his his visits.</li> <li>J also want to thank Commissioner</li> <li>Commissioner Chan for participating in the 2020 Arizo</li> <li>election law CLE, which on the panel on campaign</li> <li>finance, which I think was successful.</li> <li>I want to get into some matters that are a</li> <li>little more that take a little more detail. And I</li> <li>apologize, if you'll indulge me. The first issue I</li> <li>want to I want to you know, we have two cases</li> <li>that directly involve us that are outstanding. One,</li> <li>the Legacy Foundation Action Fund case, which I don't</li> <li>think I need to get into. In the case of Arizona</li> <li>Advocacy Network v State, the briefing is basically</li> <li>complete and we're awaiting an oral argument date.</li> <li>With respect to the case of State ex rel</li> <li>Brnovich versus Arizona Board of Regents, which we hat</li> <li>discussed in front of the Commission many times and</li> <li>that we've had on our Executive Director's Report for</li> <li>the basics. Although the case is nominally about</li> <li>whether or not the Board of Regents' process for</li> <li>tuition setting is consistent with the Arizona's</li> <li>Constitution's mandates related to that, the AG's</li> </ul>	t

I don't think I need to gainsay that Avery has been continuing to blanket the state and Valley as	<ul> <li>stands, and based on the concurrence in the Court of</li> <li>Appeals, is that the the major issue, potentially,</li> <li>has become whether or not a case known as McFate will</li> <li>be overruled.</li> <li>McFate stands for the proposition that under</li> <li>the statute it construed the Attorney General does not</li> <li>have a sort of free-standing right to sue State</li> <li>agencies that, in his or her view, are violating</li> <li>some some law. Were that case overturned, after 60</li> <li>years with both the case and the statute having been</li> <li>unchanged, it would have very clear implications for</li> <li>all executive branch agencies. Nevertheless</li> <li>So as part of my effort to provide the</li> <li>Commission and Commissioners the opportunity to</li> <li>contemplate whether or not to enter into this issue</li> <li>this case as a as an amicus, in theory on the side</li> <li>of of the Board of Regents on the McFate issue, I</li> <li>did request outside counsel from the Attorney General's</li> <li>Office.</li> <li>Before I get into the details of this, I</li> <li>wanted to first just ask the indulgence of the Attorney</li> <li>General's Office, if they later review or this tape</li> </ul>		
24	part of our outreach efforts. That's that's really been great, and I think is yielding some real good contacts and authentic interactions between our offices	<ul> <li>23 or the written transcript, to allow me to discuss some</li> <li>24 of the ramifications of Eryn McCarthy's e-mail without</li> <li>25 taking any precipitous action.</li> </ul>

3 4 5 6	This is an issue now between the Commission and the Attorney General's Office; it's not between the Executive Director's Office and the Attorney General's Office. This is a legal issue, but it's not a legal issue about legal advice; it's a legal issue between a law firm that has withdrawn from our representation	2 3 4 5 6	question for the Attorney General's Office what the scope of this issue is. And I think that I certainly

As is apparent from the terms of Ms. McCarthy's e-mail, the AG, after declaring the AG's Office, I should say, after declaring a conflict, administratively barred the Commission from	9 10 11	Attorney General's Office here, with an appropriate representative, at the next meeting, with one caveat: This is not an issue attorney-client issue that should be in executive session. This is an administrative dispute that under no circumstances is

7 Nothing in Ms. McCarthy's e-mail says that. But	7 we're being bullied, and you cannot you have to

20 happy to make that request, if you were direct if	<b>20</b> I would also but I would say two things		
<b>21</b> you were to direct me to do so. I do not know how that	<b>21</b> about that. With respect to the pro bono, again, I'm		
22 would be received. But I in fact, I think we	<b>22</b> not your attorney, but as I read the procurement code,		
<b>23</b> might should. I mean, I don't know what what the	<b>23</b> you can't simply go with someone who is free, to the

<b>25</b> CHAIRMAN PATON: So what do we need to do to	<b>25</b> into a procurement. That's not how the procurement

<ol> <li>communications about this, whether they be verbal,</li> <li>meetings, anything else beyond these e-mails?</li> <li>And then the other I guess the observation</li> <li>is, in Tom's e-mail the deadline for filing an amicus</li> <li>brief is March 17th, which is, I believe, after the</li> <li>date of our next meeting. So so it could be too</li> <li>late to deal with that at that point.</li> <li>MR. COLLINS: Mr. Chairman, Commissioner</li> <li>Meyer, I have answers to both those questions. As part</li> <li>of the process of the request, I initially, as you can</li> <li>see, sent the e-mail to Ms. Karlson related to the</li> <li>house bill that is referenced in the legislative</li> <li>session and to this particular issue.</li> <li>After that, there was a communication</li> <li>relating to how to that, yes, there was a conflict,</li> <li>and how to proceed to request that a request for</li> <li>outside counsel a more formal request for outside</li> <li>counsel would be necessary. That request is the e-mail</li> <li>from me to Kelly Kelly Gillilan-Gibson.</li> <li>That is because, as I learned from their e-mail and had</li> <li>been informed by Ms. Karlson, Ms. McCarthy was not in</li> <li>that week.</li> <li>So I followed the procedure I was given for</li> </ol>	<ol> <li>of the actual request, it says, potential amicus brief.</li> <li>I do not understand, given that, why that's where we</li> <li>get into it. There was no decision, there was no</li> <li>you know, I, as a matter of our ethics rules, am not</li> <li>permitted to make Commission decisions. And committing</li> <li>the Commission to an amicus brief is a Commission</li> <li>decision. We have had that discussion and decision</li> <li>pretermitted by our law firm. That's that's</li> <li>that's that.</li> <li>So so I guess my point is, you know, we're</li> <li>not currently recommending one for for a variety of</li> <li>reasons, and I'm sure and timing may be one of them.</li> <li>But of course, we can, depending upon the seriousness</li> <li>with which the Commission wants to proceed, we can</li> <li>that kind of stuff. That's all that's all you</li> <li>know, that's all fair game, so</li> <li>CHAIRMAN PATON: So would anybody be against</li> <li>having the Attorney General send somebody to speak to</li> <li>us next meeting, and we could decide what to do after</li> <li>that meeting?</li> <li>COMMISSIONER KIMBLE: No.</li> <li>COMMISSIONER TITLA: Chairman, if we do that,</li> </ol>
<ul><li>24 the request. Why Ms. McCarthy chose not to</li><li>25 acknowledge, let alone respond to, the formal request</li></ul>	<ul><li>24 COMMISSIONER TITLA: Chairman, if we do that,</li><li>25 what's the time frame for filing any legal</li></ul>

<ol> <li>that I was asked to provide is a question I don't have</li> <li>the answer to, I think.</li> <li>And secondly, I have learned, in the last 24</li> <li>hours, from other parties interested in this matter,</li> <li>that the amicus deadline has been extended to</li> <li>March 30th. I don't know when our next meeting is, off</li> <li>the top of my head, but I think it's before then. But</li> <li>nevertheless, that would give us</li> <li>COMMISSIONER MEYER: That's not a lot of</li> <li>time</li> <li>MR. COLLINS: Right.</li> <li>COMMISSIONER MEYER: for a lawyer to get</li> <li>up to speed and draft a brief.</li> <li>MR. COLLINS: And to be honest, Mr. Chairman,</li> <li>Commissioner Meyer, the question of whether or not to</li> <li>actually do this is what's been pretermitted by the</li> <li>Attorney General's decision. That's part of the</li> <li>problem here. There's no the goal of counsel in</li> <li>this instance is to have a confidential setting in</li> <li>which the Commission can discuss the pros, cons, legal</li> <li>cons, pros, how to best articulate why the you know,</li> <li>the Commission's interest as an amicus, the</li> </ol>	<ul> <li>documentation in this potential case that we're talking</li> <li>about? Let's say we have a meeting next month, and the</li> <li>time frame is too short between that meeting and the</li> <li>date to file any documentation. If something is</li> <li>decided at our next meeting, and we have a green light</li> <li>to hire a firm to represent us, and the firm says,</li> <li>yeah, we recommend that you file something in this</li> <li>case, and there's only a short time frame between that</li> <li>period, then what do we do, you know? So we need to</li> <li>take the time under consideration, I think.</li> <li>CHAIRMAN PATON: Tom.</li> <li>MR. COLLINS: Mr. Chairman, Commissioner</li> <li>Titla, the next meeting is March 26th. And as I said,</li> <li>my understanding is that the next that the amicus</li> <li>deadline is March 30th.</li> <li>So if the Commission is interested in</li> <li>contemplating, as a body, filing something, and</li> <li>requesting in some manner that the Attorney General</li> <li>discuss this with us, I guess I would have to recommend</li> <li>that we schedule an interim meeting.</li> <li>COMMISSIONER TITLA: Chairman, I recommend we</li> </ul>

So We the Voters conference,</li> <li>like I said, it was the first event I have been a part</li> <li>of, and just wanted to highlight that. I think it was</li> <li>a really great step in the right direction. But</li> <li>basically the point of it was in order to educate</li> <li>voters on how to participate in the 2020 elections.</li> <li>Topics included: An overview of kind of the statewide</li> <li>elections; what's going to be on the ballot; how the</li> <li>media plays a role; how to take part and how to</li> <li>participate. I'm going to be giving the 2019 Annual Report. I just chose this picture because this was from our We the Voters conference, and I thought it was just one great picture and that it kind of encapsulates what we're trying to do here with getting everybody involved in the process from all walks of life. And if you move on, this page just says we're submitting our Annual Report that we have to do every year. We have the table of contents here that we'll be going through. And this is just our letter to the Governor saying, here is our Annual Report. So the first page is going to be voter and public education, which, just to give an overview, we have did the We the Voters conference this year, which we've talked about quite a bit. But that was really my first event here at the Commission, and I know it's something that everybody on Staff, especially	<ul> <li>10:29:05-10:30:20 Page 45</li> <li>1 with voter education tools, like videos and</li> <li>2 infographics, bonds and override questions. I know Tom</li> <li>3 did, and it turned out really great.</li> <li>4 So on to our Take Flight campaign. You all</li> <li>5 know a lot about this, I'm sure. But just to</li> <li>6 highlight, we did see 1,435 users register using this</li> <li>7 this year. And I did the math; that's about four</li> <li>8 people every single day that walked by it and actually</li> <li>9 to take a look at it, pull out their phones, and</li> <li>10 register to vote using it. So I think that's really</li> <li>11 great.</li> <li>12 And we also developed a pop-up, which you can</li> <li>13 see in the picture there, version of the wings, that we</li> <li>14 can bring to events. I'm pretty sure it just lives in</li> <li>15 Avery's car now.</li> <li>16 And we have on to achievements. We were</li> <li>17 actually nationally recognized for that Take Flight</li> <li>18 Take Flight campaign by PR Week. We won best in public</li> <li>19 sector for a marketing campaign. We beat out the CDC,</li> <li>20 Procter &amp; Gamble, Ogilvy, I don't even know how to say</li> </ul>
22 23 24	Gina, worked very hard on. And I just wanted to highlight, because it really I think the idea behind it was to be an open forum between voters and election officials, and I think it really accomplished that job very well.	<ul> <li>21 that, but they're 70-year-old campaign</li> <li>22 COMMISSIONER CHAN: Ogilvy.</li> <li>23 MR. And even one judge, when they were discussing it, said, you know, it brought amazing creativity, a focused message to the target audience, and it really makes an impact. And I think you can see that in the numbers. And grass roots outreach. Once again, you know, we have an ongoing effort to increase outreach to Arizona voters. Picture there, we were at a national voter registration day at ASU. And we do tons of those events well, Avery does tons of those events and registration drives across the county. And we also in the next picture you can see the Pinal County Recorders, we partnered with them to create the first ever Arizona mobile outreach voter outreach van. And this is going to be mainly hoping to reach voters in rural parts of Arizona, just	<ol> <li>getting this to work. She worked with the Pinal County</li> <li>Board of Supervisors to ensure that they could get the</li> <li>funding. And she had a lot of stakeholders involved to</li> <li>make this work, from their fleet department it was</li> <li>just a lot of a lot of puzzle pieces that she put</li> <li>together.</li> <li>And we were very honored that she reached out</li> <li>to Clean Elections to to partner with them on this</li> <li>project and to support them in helping to get this out</li> <li>into the community, just because it's a great service</li> <li>to talk about bringing voting to voters. COMMISSIONER CHAN: I was just curious if because it was such a fabulous, creative idea. And now that they've rolled it out, I wondered what their experience has been and if any other counties were interested. MS. ROBERTS: Mr. Chairman, Commissioner Chan, my understanding is, yes, a lot of the counties have been quite interested. When we did the public unveiling, the launch for the van, several counties from across the state did have representatives to come down and see it. The Secretary of State herself came down. And yes, I've heard great things from other counties that that is something that they would like to do. Pinal County the Pinal County Recorder,	<ol> <li>trainings with the candidates in order to keep them up</li> <li>to date on new procedures, rules, and just how to run</li> <li>as a Clean Elections candidate and more.</li> <li>And if you go to website and social media.</li> <li>So if you look at the off years here, 2019 and 2017,</li> <li>since we didn't have elections that year, was a little</li> <li>bit lower. And I don't know whether you were here before, but I used to impress upon the Commission and the Staff that we need to reach throughout the state of Arizona to all the people, and that includes the Native Americans. So all of them are tribes that we need to reach out to, because they vote and everything. And I think that if we had pictures in here that would signify that, I think that would be good. Also, as I mentioned earlier, the poor people, we need to put them in here also. Because our cover picture, while it is good,
